

Internationalization at the Faculty of Healthcare

Ostfalia
Hochschule für angewandte
Wissenschaften

A study or work placement abroad offers you the opportunity not only to improve your language skills, but also to develop important personal and social skills. These include intercultural understanding, conflict resolution, independence and a sense of responsibility. With these key skills, you as a student increase your chances of finding an attractive job.

Partnerships with various universities/colleges and contact persons at our faculty:

Universidad Catalica Boliviana UCB

Contact person: Prof. Dr. Felix Miedaner

Seinäjäki University of Applied Sciences

Contact person: Tobias Immenroth, M.A.

FH Burgenland, Pinkafeld

Contact person: Prof. Dr. Ludger Batzdorfer
